

We may think that those close to Jesus knew exactly what to do when he was no longer physically with them. They didn't. They saw how he had suffered, and they were afraid. We do not always know what to do either. Experiencing misgivings about the challenges of living as 21st century disciples may be a sign that we're on the right track.

The eleven disciples went to Galilee, to the mountain to which Jesus had ordered them.—Matthew 28:16

First Reading from Acts 1:12-14

Living the Gospel by providing a summer camp
experience for young boys....

During his years as a young camper at Camp Ozanam,
Niro experienced significant moments of personal growth
in his life, which had a lasting impact on him. Later on, he
became a staff counselor at Camp Ozanam, where he now
has the opportunity to become involved in and positively
influence the lives of current camp participants. "When you
are with your brothers at camp, it is okay to show your
feelings. These memories become important, because
these kids really get to know each other and stand by each
other. Thank you, ShareLife, for all the work you do to
make this possible at Camp Ozanam!" says Niro. Last
year, ShareLife-supported Camp Ozanam providing the
camp experience for 600 boys from the GTA.
